S K I L L S

Digital

Skilled across adobe creative suite (Photoshop, Illustrator, Acrobat, InDesign, Premier pro). Skills include: Layouts, publication design, editing photos/artwork, creating artwork, video editing etc...

Proficient in Microsoft office (Word, Excel etc..)

3D modelling/rendering skills (Maya/Auto-desk/Cura)

3D Printing experience

Making

3D Making skills, good with cardboard, lots of experience using it for large installations/constructions. Experience working in wood workshops and fabricating rudimentary furniture (tables, display plinths etc...).

Freelance

Experience in both freelance Illustration and Graphic design, working for and responding to clients on tight time-scales and restrictive briefs.

Publishing

Print and bind all my own work, have lots of experience in both traditional and modern methods of bookbinding. Have Designed, laid out, printed and bound multiple publications.

Shows/Events

Have helped organise/curate various Art/Design exhibitions throughout 2017/2018. Finding venues organising large groups of people etc...

Run a bi-monthly club night at the White Hart in New Cross called Loose Knees, handle promotion and organisation.

Workshops

Have run various creative workshops in an outside of university, most notably in Battersea Arts station. Mainly focused around introducing people to the idea of independent publishing. The most recent was a 5 day install/workshop programme during my degree show, details of this can be found on my website.
